

Round Table Discussion Forum

We will be giving an introduction and then Gina Peterson, RN Consultant will lead the session by introducing a topic and some information about that topic.

She will be asking questions and asking for your feedback. You may submit your feedback in the question and answer chat bar. You may also unmute yourself and ask a question.

We will also unmute you from our side during the times we want you to participate live and let you know. All you need to do is “raise your hand” on your menu if you want to chat live. If you are unable to be heard for some reason or another, please post your question in the chat bar. If we do not get to your question, no worries. All questions will be addressed in a written **FAQ doc** and **sent out after the session**.

Please be sure to also answer the short survey at the end of the webinar.

Lastly, please answer our survey we send out prior to class, so we can complete the development of our topics for the “Round Table” Discussion. They will be emailed to you. A copy of the current survey can be found on our “Updates” page on our website: <https://twogetherconsulting.com/pre-webinar-survey-for-round-table-discussion-for-nursing-concerns-in-idd-programs-hcs-txhtml-icf/>

You can also ask for a copy of the survey or submit any other questions you have to: info@twogetherconsulting.com

Please email all “pre-roundtable discussion” survey responses to **same email** address above or **fax to**: 512-291-9075

Thank you,

Julie Blacklock/IDD Consultant & Gina Peterson/RN Consultant
