

ABOUT US

Twogether Consulting has served as consultants to HCS, ICF & TXHL providers statewide (and nationally for ICF), assisting them in areas of personnel training, quality assurance, survey and audit preparation and recovery, assistance with plans of correction, development of policies and procedures, and more. We also assist providers in “start-up” of their program. We hold classes statewide for nurses, care coordinators, QIDP’s, program administrators, Quality Assurance staff, as well as “on-site only” classes for direct care. Most recently we have offered webinar training for many of our classes.

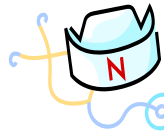

Julie Blacklock Owner/Consultant-

is a graduate of Southwestern University with a BS in Psychology. She has over 30 years’ experience working with persons with disabilities, Julie began her career in IDD services as an SHL provider in 1992. She also worked as a Service Coordinator at Austin Travis County MHMR. Julie then went on to work with various providers in the private sector in the Austin area as a QIDP for the ICF program, and as a Case Manager and Program Director for the HCS program. Julie was an HCS provider herself for 3 years. She has been an ICF & IDD Waiver Consultant since 1997.

Marcus Denman/Consultant-

is a graduate of Stephen F. Austin with a BBA in Business Administration and he also has an MBA in Business Administration. Marcus has worked for a variety of facilities over the years in IDD services including HCS, TxHmL, ICF and other Programs. He was the Executive Director for The Village Co. Inc. for a little over 4 years. At MHMRA of Harris County, he served as the Department Director of HCS Services. Marcus was also the State Director of Arrow Child & Family Ministries for 7 years. He is extremely dedicated to providing quality services for individuals with IDD. Marcus has been providing consultation services to HCS/TxHmL/ICF Providers with Twogether Consulting for approximately 5 years.

Twogether Consulting is proud to be a representative for TaskMaster Pro! TMP is a web-based cloud computing system designed specifically for managing Waiver and ICF programs. TaskMaster Pro was created by a fellow HCS/ICF provider- Larry Hill (Hill Resources) and his team. Via the internet, you will be able to access information and monitor activity from wherever you are and whenever you want. Now when regulatory changes occur or required forms are updated, TaskMaster Pro is updated, so it will never be obsolete. Now this user-friendly, integrated system is available to you.

Call Julie Blacklock at 512-294-8032 to Request a Taskmaster Pro Demo. Free!

Manage your program anytime and from anywhere in the world with TaskMaster Pro! This comprehensive, easy-to-use system has a Secure Communication Center, and meets at least 85% of mandated SPI/DUA compliance needs. This program is the perfect tool for helpful QA Reports to assist the Q's, CM's, PM's and QA's.

SE/EA/DH Specialist

*(Supported Employment/Employment Assistance/
Day Habilitation/YES Waiver Specialist)*

Zernalyn "Lynn" Palmares/IDD Consultant

Lynn worked in California for 7 years doing a variety of jobs in social services for the IDD population. She worked mainly in Vocational Rehabilitation, Supported Employment and Dual Diagnosis Recovery in California and has worked in many of the same services in Texas.

She began working with IDD services in the state of Texas, as a QIDP for the ICF program. Lynn was also the DH Director for a provider of HCS/ICF services. Lynn is an expert at "staff retention".

For at least 15 years Lynn worked as case manager and later became an "interim" program director in the HCS & TXHML programs. She is available to assist persons with developing their DH program: finding resources, developing policy and procedure, creating training for employees/staff and for the individuals in the program, assessing individuals for their needs and learning styles, so the staff can be more productive with the individual in meeting objectives.

Lynn has worked for the YES waiver for about the past 4 years and is available for Q&A and assistance with the application process for becoming a YES waiver provider.

HCS/TxHmL Consultant

Mary Robinson/IDD Waiver Consultant

Mary Robinson has almost 30 years of experience working in the Human Services field, in particular with IDD waiver services.

In 2005 Mary transferred from Louisiana to Educare in Temple when she moved to Texas, where she joined the team as an HCS Case Manager. She later moved to the Austin location and became an HCS Program Services Manager/Administrator.

Mary is currently assisting us with Corrective Action Plans, Development of Policy and Procedure, and some on-site staff training. She is also available for HCS/TxHmL chart/record reviews and mock billing audits. Mary is located in the Austin/Round Rock area. For those needing on-site assistance, Mary will be primarily assisting providers between in the IH-35 corridor between Temple and San Antonio.
